

BEAUDESERT PARK SCHOOL

BURSARY POLICY

1. INTRODUCTION

- 1.1 In keeping with the charitable aims of the School, Beaudesert Park School ("the School") already offers a number of means-tested bursaries to children from lower income families, and whose parents would not otherwise be able to afford a Beaudesert education.
- 1.2 The Governors and the School wish to provide greater numbers of high-level bursaries (for instance 80% to 100% of tuition fees) for pupils from lower income families. For those children in receipt of a bursary, financial support may also be provided to assist with additional school activities.
- 1.3 The School also works with appropriate senior schools to help secure ongoing financial support, beyond Year 8, where needed.
- 1.4 Bursaries are funded from the Bursary Fund which is reliant on donations and therefore the ability to fund bursaries is dependent upon the level of the Bursary Fund at the time.
- 1.5 Save in exceptional circumstances, Bursaries are only be awarded to pupils in Year 4 and above.
- 1.6 All applications for bursaries are means tested, including by an external company, and considered by the School's Governance & Compliance Committee, who decide whether a bursary should be awarded. An appeal of the Governance & Compliance Committee's final decision can be made to the Chair of the Governors
- 1.7 Where a bursary is awarded, it will be reviewed annually, or more frequently if appropriate, by reference to the applicant's financial circumstances.
- 1.8 Applications for bursaries will be treated equally irrespective of the applicant and child's race, religion, national or social origin, culture, gender or academic ability in accordance with the Admissions Policy.
- 1.9 The application for and award of a bursary is a confidential process and any personal data provided is processed in compliance with the Principles of the Data Protection Act 1998.
- 1.10 References to "parents" in this policy include guardians who are legally

responsible for the child concerned.

- 1.11 The School website informs applicants that a copy of the bursary policy (as reviewed and updated periodically) is available on request from the School office.

2. TYPES OF BURSARY

- 2.1 Bursaries may be awarded to pupils entering the School for the first time, or to existing pupils whose family experience unforeseen financial hardship, such that they are unable to continue to pay the School's fees, without financial assistance.
- 2.2 In each case the application for a bursary depends on the financial circumstances of the family and requires the completion of the Bursary Application Form and where appropriate investigation by Bursary Administration Ltd (or a similar third party company), who will conduct means testing.
- 2.3 Bursaries are awarded and reviewed on an annual basis (or more frequently at the discretion of the Bursar), including by the completion of a declaration as to any material changes to the applicant's financial circumstances.

3. APPLICATION PROCESS

- 3.1 Bursary Application Forms can be obtained from the School office and must be submitted by the end of December each year, for admissions the following September.
- 3.2 Assessment for a Bursary involves consideration of who would benefit most from a place at the School and would be informed by a report from the child's current school.
- 3.3 Decisions regarding bursary awards are, in the case of new entrants, considered by the School's Governance & Compliance Committee and communicated by the Finance Director, by the end of the Spring term.

This is in order to make a fair assessment the family's financial circumstances.
- 3.6 The completed Bursary Application Form is considered by the Finance Director. Where the Finance Director considers that the completed Bursary Application Form shows there is no financial need, no bursary will be granted.

- 3.7 Where the Finance Director considers that there may be grounds for a bursary, the School will then appoint Bursary Administration Ltd (or a similar third party company) to investigate the Applicant's financial circumstances further.
- 3.8 In preparing their report Bursary Administration Ltd will undertake financial checks and a home visit during which the applicant's financial circumstances will be discussed in detail. This will require disclosure of all:
- 3.8.1 Income: including PAYE or self-employed income, dividends, rents received, pensions received, investment income, benefits, maintenance received, family support or other income;
